APPLICATION GUIDE

Friction / Drum and Rotor / Caliper

www.raybestos.com

The Best in Brakes Made Easy.

Raybestos® has been a giant in the automotive aftermarket industry for over a century. As an industry leader, Raybestos® is committed to manufacturing high-quality brake parts that offer unparalleled performance and safety. From friction to rotors, calipers to hydraulics, Raybestos® produces dependable brake parts with expansive coverage. All of our products are extensively tested so you can be sure you are buying a product that is reliable and safe. Raybestos delivers brake parts you can count on.

Raybestos® had our customers in mind when we decided to realign our product offering into three distinct lines. When you think of Raybestos®, you think of The Best in Brakes®. That is what our R-Line delivers. It is a reliable family of products focused on every day driving. Our Element3™ line is The Best in Brakes® with enhanced, innovative product attributes for increased performance and a long life. Our Specialty line helps you cover all of your niche market and unique application needs, delivering outstanding stopping power in extreme-use situations. You now will get the same great product in easy-to-understand family packaging all with no part number changes.

RELY ON RAYBESTOS® AS YOUR PREMIER BRAKE PARTNER TO HELP GROW YOUR BUSINESS.

PREMIUM LINE ENHANCED FOR ULTIMATE PERFORMANCE

This innovative offering features upgraded product attributes including EHT friction formulations, coated rotors, new plated calipers, and new OE-matched hydraulics providing a full selection of components for complete braking system coverage and unparalleled performance.

ELEMENT3™ BRAKE PRODUCTS DELIVER
A NEW LEVEL OF CONTROL AND CONFIDENCE.

SUPERIOR STOPPING POWER

Our Raybestos® R-Line provides a reliable solution for every day driving. Now packed in easy-to-match packaging so you can quickly select ceramic or semi-metallic brake pads, OE-matched professional grade rotors and drums, reman plated and non-plated calipers, and three generations of wheel hubs for a complete brake job. Rely on Raybestos® for the Best in Brakes®.

Specialty

FULL-LINE COVERAGE FOR CRITICAL TARGET CATEGORIES

Bringing together innovation and superior engineering, Raybestos® specifically designed these specialty disc pads and rotors with application-specific formulas and full-line coverage for critical target categories. Special product features such as mechanical retention system backing plates, enhanced metallurgy rotors, and custom designs allow for exceptional performance in high-temperature and severe duty situations across many significant niche markets.

TERMS AND CONDITIONS

This Catalog is intended solely for use by purchasers or potential purchasers of aftermarket automotive products from Brake Parts Inc LLC ("Customers").

If you **are not** a current Customer, this notice applies to you:

No part of this Catalog may be reproduced, distributed, disseminated, recorded or utilized in any format, by any means, electronic or mechanical, including without limitation photocopying, scanning, or recording in any information retrieval or storage system, without the prior written permission of Brake Parts Inc LLC. In particular, without limiting the foregoing, no part of this Catalog may be incorporated into another work of any kind in any format that catalogs, lists, offers or specifies products not sold by Brake Parts Inc LLC.

If you **are** a current Customer, your use of this Catalog is subject to the following Customer Agreement:

By using this Catalog, you agree to be bound by this Agreement. If you do not wish to be bound by this Agreement, then do not use this Catalog, and do not reproduce, distribute, disseminate, record or use any Content from this Catalog.

Content

All information in any medium or format furnished by Brake Parts Inc LLC herein, including text, images, data, graphics, links, captions, or other information (collectively, "Content") is owned by Brake Parts Inc LLC or our Content providers. All Content is protected by U.S. and international copyright laws. All rights not specifically granted under this Agreement are reserved to Brake Parts Inc LLC.

Current Customers may, subject to the terms and conditions of this Agreement:

- a) Use the Catalog for your internal use, solely to look up information related to aftermarket automotive products in the ordinary course of business;
- b) Use the Catalog to investigate, respond to inquiries from, or to provide quotations, purchase orders or invoices, to your customers; and
- c) If necessary, in relation to either a) or b) above and to directly facilitate the sale of Brake Parts Inc LLC's aftermarket automotive products, make a limited number of photocopies of one or more pages of this Catalog (but not all or substantially all of the Catalog).

You may not:

- a) Deliver, provide access to, directly or indirectly, or otherwise make the Content available to any third parties;
- b) Remove any trademark, copyright or other proprietary notices from the Catalog or any Content;
- c) Reformat or extract data from the Catalog or any Content, or incorporate the Catalog or any Content in whole or in part into another work of any kind in any format, including, without limitation, any work that catalogs, lists, offers or specifies products not sold by Brake Parts Inc LLC.

General

By using this Catalog, you acknowledge that you have read this Agreement, understand it and agree to be bound by its terms and conditions. You further agree that it supersedes any proposal or prior agreement, oral or written, and that it cannot be modified except by signed written agreement by a duly authorized executive of Brake Parts Inc LLC. If you do not comply with the terms and conditions above, this Agreement shall automatically terminate, and the notice above directed to non-customers shall apply to you.
